Christmas Party Options

The Ridgeway Barns is a stunning Christmas party venue, with a beautiful 19th Century Threshing Barn, newly converted Granary Barn and capacity for up to 120 (seated) or 150 (standing) guests.

We have partnered with the fantastic team at Wild Fork West, to bring you the ultimate Christmas party experience.

Choose a formal 2 or 3 course sit-down meal or a more casual bowl food or street food menu, with staffed bar and evening entertainment included.

We take the stress out of planning, covering all the key ingredients needed for a great do, while giving you the freedom to select your style and menu.
